

# SUCCESSFUL ADAPTATION PART II: STRATEGIES, PATHWAYS, AND EVALUATION

April 20<sup>th</sup>, 8:30 am - 5:00 pm April 21<sup>st</sup>, 8:30 am - 12:30 pm

Alaska Islands and Ocean Visitor Center 95 Sterling Hwy, Homer AK

### **Workshop Goals**

Building on participants' experience and expertise, as well as the workshop in fall 2016, and the Kenai Lands Forum this spring, we will take the next steps in thinking about planning processes and community efforts to prepare for, adapt to, and work together towards a climate-resilient future. In this workshop we will:

- Link the search for solutions to current problems to planning processes and partnerships
- Evaluate short and long term adaptation in light of our vision and future scenarios
- Develop indicators and metrics of successful adaptation
- Identify ways to proactively build capacity to respond to change

#### Agenda

#### **DAY 1: April 20, 2017**

8:30 am	Registration Light breakfast available
9:00 am	Welcome Introductions, purpose and arc of workshop Participants' workshop goals and progress since last workshop
10:00am	Where does the boat leak? Presentations from local issue leads Building resilience /climate adaptation into solutions to current issues; problem-solving through existing planning processes and partnerships

10:30am-	How could the leak be fixed? Breakout Session- Coffee/tea available
12:00pm	Brainstorming additional strategies to address issues related to:
	Infrastructure protection
	Food security
	Habitat conservation
	Water quality
12:00-1:00pm	Lunch provided
	Gallery walk of Alaskans Know Climate Change Art Show
1:00-2:45pm	Making our strategies robust to an uncertaint future Group Activity
	Adaptive decision making in the face of uncertainty using climate scenarios
2:45-3:15pm	Coffee/tea break
3:15-4:45pm	Transparent decision-making
	Identifying and applying appropriate decision criteria to select best possible
	adaptation strategies
4:45-5:00pm	Wrap up of Day 1 & Outlook to Day 2

## DAY 2: April 21, 2017

8:30am	Welcome, review of Day 1 and overview of Day 2
9:00-10:30am	Indicators and Metrics
	Identifying and tracking indicators of adaptation progress and effectiveness
10:30-11:00am	Networking Break
11:00-12:00pm	Building capacity
	Making connections with resources and people to implement desired actions
	and learn as we go
12-12:30pm	Closing Reflections
	Next steps and commitments of participants to advance climate resilience
12:30- 1:30pm	Adjourn
	Networking lunch available
