NOTICE OF DETERMINATION

TO: State Clearinghouse
Office of Planning and Research
1400 Tenth Street, Room 222
P.O. Box 3044
Sacramento, California 95812-3044

FROM: Department of Parks and Recreation
Southern Service Center
2797 Truxtun Road
San Diego, California 92106

SUBJECT: Filing of the Notice of Determination in compliance with Section 21108 of the Public Resources Code.

PROJECT TITLE: Border Field Resilience Access Habitat Restoration Project

STATE CLEARINGHOUSE NUMBER: 2025040060

CONTACT PERSON: Luke Serna
Associate Park & Recreation Specialist
Department of Parks and Recreation
Southern Service Center
2797 Truxtun Road
San Diego, CA 92106

E-MAIL: enviro@parks.ca.gov

PROJECT LOCATION: Border Field State Park, County of San Diego

PROJECT DESCRIPTION: The Project proposes to improve and relocate portions of Monument Road to address seasonal flooding of the existing roadway, plan for and establish resilience against the future effects of sea level rise (SLR) and restore wetland habitats. CDPR proposes a new alignment of Monument Road, elevating portions of the roadway, installing box culverts and headwall systems, and removing approximately 2,300 feet of existing asphalt road. The Proposed Project would address the main entrance road flooding and SLR resilience and improve public access to Border Field State Park (BFSP) and Monument Mesa. As previously identified, the existing alignment and elevation of the roadway is subjected to seasonal flooding in several locations caused by storm runoff flows from Goat Canyon and Yogurt Canyon which convey flows from Tijuana, Mexico northerly into the United States. These flows result in both the north-south and east-west portions of the roadway remaining flooded, preventing public access to BFSP and Monument Mesa.

The California Department of Parks and Recreation approved this Project on 3/10/2026 and has made the following determinations:

1. The project will not have a significant effect on the environment.
 The project will have a significant effect on the environment.
2. A Final Mitigated Negative Declaration was prepared and adopted, pursuant to the provisions of the California Environmental Quality Act (CEQA).
 An Environmental Impact Report has been completed in compliance with CEQA, and has been presented to the decision-making body of this Department for its independent review and consideration of the information, prior to approval of the project.
3. Mitigation measures were were not made conditions of project approval.
4. A Statement of Overriding Considerations was was not adopted for this project.
5. Findings were were not made on environmental effects of the project.

The Final Environmental Impact Report may be examined on the State Clearinghouse website at the following URL:
